

26-15a-103 Duties.

In connection with this chapter:

- (1) the department shall:
 - (a) establish, by rule:
 - (i) statewide, uniform standards for certified food safety managers;
 - (ii) criteria for food safety certification examinations; and
 - (iii) other provisions necessary to implement this chapter; and
 - (b) approve food safety certification examinations; and
- (2) the local health department shall enforce the provisions of this chapter.

Enacted by Chapter 345, 1998 General Session
